

International Conference
“Nuclear Theory in the Supercomputing Era”
NTSE – 2014
Pacific National University, Khabarovsk, Russia.
June 23 – 27, 2014

Conference web site: <http://www.ntse-2014.khb.ru>

This is the first circular of the International Conference “Nuclear Theory in the Supercomputing Era NTSE–2014”. The Conference will be held at Pacific National University in the city of Khabarovsk, Russia, from June 23rd through 27th, 2014.

The conference focuses on forefront challenges in physics, namely the fundamentals of nuclear structure and reactions, the origin of the strong inter-nucleon interactions from QCD, and computational nuclear physics with leadership class computer facilities to provide forefront simulations leading to new discoveries. This is the third in the series of NTSE conferences aimed to bring together nuclear theorists, computer scientists and applied mathematicians. Previous NTSE conferences:

[NTSE-2013: May 13–17, 2013, Iowa State University, Ames IA, USA](#)

[NTSE-2012: June 18–22, 2012, Pacific National University, Khabarovsk, Russia](#)

Organizing Committee

Sergey Ivanchenko (Chair), Pacific National University, Russia
Dana Basharymova, Pacific National University, Russia
Leonid Blokhintsev (Vice Chair), Moscow State University, Russia
Sergey Burkov, Pacific National University, Russia
Alexander Mazur (Scientific secretary), Pacific National University, Russia
Evgeny Mazur, Pacific National University, Russia
Pieter Maris, Iowa State University, USA
Andrey Shirokov (Vice Chair), Moscow State University, Russia
James Vary (Vice Chair), Iowa State University, USA
Xingbo Zhao, Iowa State University, USA

Scientific Advisory Committee

James Vary (Chair), Iowa State University, USA
Bruce Barrett, University of Arizona, USA
Leonid Blokhintsev, Moscow State University, Russia
Stanley Brodsky, SLAC-Stanford, USA
Ümit Çatalyürek, The Ohio State University, USA
Mark Caprio, University of Notre Dame, USA
David Dean, Oak Ridge National Laboratory, USA
Jerry Draayer, Louisiana State University, USA
Victor Efros, Russian Research Centre Kurchatov Institute, Russia
Evgeny Epelbaum, University of Bochum, Germany
Konstantin Gridnev, St. Petersburg State University, Russia (to be confirmed)
Morten Hjorth-Jensen, University of Oslo and Michigan State University
Youngman Kim, Institute for Basic Science (IBS), Korea
Ruprecht Machleidt, University of Idaho, USA
Pieter Maris, Iowa State University, USA
Alexander Mazur, Pacific National University, Russia
Alexander Motovilov, Joint Institute for Nuclear Research, Russia
Petr Navrátil, TRIUMF, Canada
Esmond Ng, Lawrence Berkeley National Laboratory, USA
W. Erich Ormand, Lawrence Livermore National Laboratory
Takaharu Otsuka, University of Tokyo, Japan
Wayne Polyzou, University of Iowa, USA
Jianwei Qiu, Brookhaven National Laboratory, USA
Sophia Quaglioni, Lawrence Livermore National Laboratory, USA
Andrey Shirokov, Moscow State University, Russia
Masha Sosenkina, Old Dominion University, USA

General Information

The working language of the Conference is English.

The Conference Proceedings will be published by the Pacific National University and will be available at the Conference web site after Conference.

The Conference Program and abstracts will be available at the Conference web site www.ntse-2014.khb.ru after May 15.

Important dates

March 20, 2014: deadline for registration of foreign participants and accompanying persons who needs visa for Russia

April 15, 2014: deadline for registration of participants who does not need visa for Russia

May 1, 2014: deadline for submission of the titles and abstracts of the talks.

Registration

To register, please submit your registration form on web-page www.ntse-2014.khb.ru/registration/ no later than **March 20** for those who need the Russian visa or no later than **April 15** for those who do not need the Russian visa.

Please submit the title and abstract of your talk while registering or by **May 1** on the web-page http://www.ntse-2014.khb.ru/registration/send_abstract.

If you need the **visa for Russia**, please **note**:

- For the visa support, please attach a **high-quality** scanned copy of your passport pages containing your personal information and passport data (passport number, issuing authority, expiration date, etc.)
- The passport expiration date should be not early than December 31, 2014.
- We shall prepare for all foreign participants and their accompanying persons the visas that will be valid for one month starting from June 15. The visas will be valid for visiting the following cities in Russia: Khabarovsk, Moscow, St. Petersburg, Vladivostok. We can add additional cities or shift/extend the dates of your Russian visa if needed. We can also make hotel reservation in these cities for you before or/and after the Conference. We can also contact our colleagues in these cities suggesting to arrange your seminar before or after the Conference if desired. Please, e-mail your travel plans to ntse-2014@nucl-th.sinp.msu.ru in this case.
- **Accompanying persons** needing the Russian visa are kindly asked to submit the same information.

Conference fee

The Conference fee for participants is \$450

and should be paid in cash at the conference desk upon your arrival in Khabarovsk. It covers **accommodation in the hotel "Intourist"**, lunches in PNU during Conference (June 23 – 27), transportation to and from the Khabarovsk airport, visa support and health insurance for foreign participants during their stay in Russia, coffee breaks, Welcome Party, Conference Dinner and Proceedings.

The Conference fee for accompanying persons is \$200

supposing that they share the hotel room with the participant and covers the same expenses except the book of Proceedings.

The Conference fee for participants who do not need hotel accommodation is \$100.
